

COMMERCIAL/INDUSTRIAL EMERGENCY TREE REMOVAL NOTIFICATION/APPLICATION

No fee if submitted within 3 days of emergency tree removal: \$0.00

City of Cerritos approval is required prior to the removal of any privately-owned tree located in a commercial or industrial property. This Commercial/Industrial Emergency Tree Removal Notification/Application is intended for instances in which a tree posed an immediate threat to public safety and City approval for tree removal was granted verbally prior to the formal submittal of an application. This notification/ application serves to document the removal and replacement of the subject tree. For the proposed removal of trees that do not constitute an immediate threat to public safety, please consult with the Department of Community Development for the appropriate application and approval process (see Section 5.0 of this application for additional details).

If a privately-owned tree within a commercial or industrial property poses an immediate threat to public safety and requires immediate removal, take the following steps:

1. Call for an inspection by City staff. Key phone number: City Arborist: (562) 407-2659
 Alternate numbers: Parks Superintendent: (562) 916-1220
 Community Development: (562) 916-1201
2. Obtain verbal authorization (email, handwritten note, or other form deemed acceptable by the City staff member).
3. Remove the tree. Safely discard all removed elements, including branches, stump, and debris.
4. Submit this Commercial/Industrial Emergency Tree Removal Notification/Application to the Department of Community Development within three (3) days of tree removal.
5. Replace the tree as approved within sixty (60) days of tree removal. Call City Arborist to inspect the tree onsite prior to installation. Notify Community Development of completed installation.

2.0 EMERGENCY TREE REMOVAL STANDARDS

In accordance with Section 8 of the City of Cerritos Tree Preservation Manual, the following standards shall apply for all emergency tree removals:

- 2.1 Eligibility – Emergency tree removal approval may be granted by the City of Cerritos when the tree poses an immediate threat to public safety. "Immediate threat to public safety" means that the tree has been deemed by the City Arborist to be unstable and unsafe thereby posing an immediate threat to the life, health, safety of the public during extreme environmental conditions such as high winds and/or excessive rains. Conditions that may contribute to a tree's instability may include its unique growth characteristics, excessive leaning, improper root pruning, poor soil, restricted root growth and/or root-bound conditions. This determination is made by the City Arborist on a case-by-case basis.
- 2.2 Deadline for Notification/Application – This notification/application shall be submitted to the City of Cerritos Department of Community Development within three (3) days of tree removal.
- 2.3 Deadline for Tree Replacement – The subject tree shall be replaced within sixty (60) days from the date of removal. Every effort will be made by the Department of Community Development to approve the replacement over the counter immediately or no later than forty-eight (48) hours of receipt of the completed application.
- 2.4 One-for-One Replacement – Each removed tree must be replaced with at least one new tree on the same property, the species and size of which must be approved by the City of Cerritos.
- 2.5 No Fee – No fee shall be required for the tree authorized for emergency removal if the deadlines in Sections 2.2 and 2.3 above are met.
- 2.6 Penalty – If the deadlines in Sections 2.2 and 2.3 are not met, applicable tree removal fees shall apply as set forth in the Commercial/Industrial Administrative Tree Removal Application. Additionally, no tree removal applications shall be considered by the City until the replacement tree is installed and associated fees are paid. Each removed tree must be replaced with at least one new tree on the same property, the species and size of which must be approved by the City of Cerritos.
